LIVE YOUR BEST LIFE..

You have been invited to a backcountry 'ish camping adventure. Stephanie and Ryan would love to have you join them on the beach and around the fire for a celebration of love and friendship.

The Outline

Over the years Stephanie and Ryan have spent many weekends, summer vacations and pretty much every chance they have to explore the outdoors of Northern Ontario. When it came to a place to host a wedding and hang out with friends the choice was obvious. Algonquin Park!! Ok, so maybe not the obvious choice for most people but perfectly suited for a weekend adventure for Steph and Ry. On the weekend of Sept 8th -10th they will be hosting a camping adventure and having a small ceremony to celebrate their love. They would love to get a chance to spend time with you, the most important people in their lives at one of their most favorite places.

Let's get some things out of the way here, this is a backcountry adventure. The excursion team will be taxiing people by boat to a remote area/island deep into the woods. Far away from the usual amenities of a set-aside campground like restrooms or access to electricity. We definitely have no internet, WIFI or cell service.

We will be using 4-5 campsites each with their own thunder box, fire pit, tent pads and kitchen area. All the sites will be connected by a walking path with one main site to host most of the gatherings and dinning.

If your worried about words like thunder box, far away, tent pads, remote area, no cell service. Rest assured the excursion team will do everything possible to make this adventure as comfortable and hygienically pleasing as possible.

The meeting point will be at Lake Opeongo, Access Point #11 Algonquin Park on the dock in front of the outfitter. Pick up to your campsite will be arranged by the excursion team and will be personalized for each party as the taxi only holds 6-8 people. Please arrive 30 min early. It will take time to park and get ready for departure.
