VICE PRESIDENT– Judy Janson

Hello to all my retiree friends,

I absolutely agree with the President about hibernating until September! But, we just had a great casino trip and the weather at the casino was great for any of us that went outside. Ha Ha - of course most were inside hoping their luck would give them a big win. Great trip and everyone had a lot of fun. On the way home we thought we had been hijacked as the driver had an address for a Denny's at 117th Avenue instead of I-17. It was all cleared up and we arrived at our destination safe and sound.

We have another event coming up this summer in August and hope that all of you will not hibernate. It is the Bowl- a-Thon on August 10th at a new location so watch for Kathy's flyer. There will be beautiful baskets, 50/50 raffle, and of course the money tree! Remember, all of the proceeds go to support the IRA Murphy School. Hopefully all you bowlers will sign up and that all you spectators will come and enjoy the festivit

Everyone have a safe and enjoyable month of

DONATION COORDINATOR – Nan Pflumm

I am collecting

- worn out sneakers for recycling
- books, CDs, DVDs, movies, board games, etc., for Bookmans Entertainment Exchange. The donations will be traded in for credit vouchers that do not expire. We will give the vouchers to teachers to use for items of their choice.

SOCIAL CHAIRPERSON – Kathy Mance

Thursday, July 10th - St Mary's Phoenix - Seven people showed up to volunteer. Volunteers were able to fill 2,304 bags (12 pallets). These bags are given in addition to emergency food boxes, fresh produce, and bread. It will be the last time we work at this warehouse as they have moved to a new facility with air conditioning. The new address is on the flyer. Six of us went to lunch at Garcia's and enjoyed Mexican food and live entertainment.

Tuesday, July 22nd - Cliff Castle Casino Trip - Twenty-nine members and guests went to the casino. No one won big, but a few people came home a bit ahead. We were able to stop at Rock Springs and shop for awhile. Our ride home was a bit longer than it should have been as the driver went to the Denny's at 117th Ave and Bell instead I-17 and Bell even though we kept asking where she was going! Eventually we all made it home.

***** Please stop by the Bowlathon to visit and participate in the raffles *****
