

# Leah C. Palmer

*Photographer & Submitter: Leah C. Palmer*

The scaffolded "village green" of the recently completed St. Coletta School charter school in Washington, D.C., felt like the belly of the beast to Palmer, who is an assistant project manager with construction manager Advanced Project Management. Palmer, who studied architecture, is fascinated by the framework of buildings. More than a dozen of her frozen-in-time fascinations adorn the walls of APM's offices in Chantilly, Va.
