

Lorenzo Kunze

Medical Aesthetic Practitioner - Educator – Visionary

My initial goal 45 years ago was...merging aesthetic applications and medical procedures with the newest technology available. Today this is a reality -

*I am presently volunteering my time with **MarLō Advanced Skin Care**, in Lakewood, Colorado, as an independent practitioner, educator, and consultant.*

Since 1971, I have continued to treat patients and clients, educate professionals and learn new techniques /procedures on the newest trends.

My 40+ years of experience has provided me the honor and ability of utilizing many types of equipment, such as: lasers (skin reGENERation, hair, tattoo and hair reduction), plasma (fibroblast), micro-needling (channeling), PRP (platelet-rich plasma), IPL / BBL (Pulsed Light), RF (radio frequency).

As a true pioneer in aesthetic / medical laser applications, here are a few accomplishments:

- “Fellow” of the American Society for Laser Medicine & Surgery
- Certified Medical Educator (Department of Higher Education) – Medical Lasers
- Certified Aesthetic Educator (Private Occupational Schools) – Electrology and Lasers
- Operating Room (OR) privileges at several CO medical hospitals as a non-medical professional
- Founded the worlds 1st medical aesthetic laser college (Private Occupational Schools –
 - Taught state certified programs – Electrolysis, Micropigmentation, Aesthetic Lasers
 - Taught weekly CEU seminars to over 15,000 (+) worldwide professionals via on-line
- Worked with top medical physicians KOL (world-wide) over the past 45+ years
- Owned or managed 30+ Clinics nationwide (4 locations in Colorado)
- One of the 1st in the U.S. to utilize lasers for permanent hair reduction – 1990’s
- 3rd generation Electrologist, working in family electrolysis business since 1971
- Purchased over 150 lasers for hair/vein/tattoo and skin procedures via 30+ clinics in US
- Providing independent aesthetic procedures within medical practices such as:
 - Electrology
 - Dermatology
 - Plastic Surgery
 - Aesthetic Medicine
 - Endocrinology
 - Plasmatology
- Assisted in developing equipment and protocols for machines such as:
 - ThermoLo – ThermoCLEAR – (Class 1 -Low/High/Super-High Radio Frequency)
 - Chromos (Class 2 - Medical Modified Fractional CO2)
 - Nano Plasma (Class 2 - Medical Plasma Pen)
 - Cervello (Class 2 - Medical Hair Removal Laser)
- Educator and Consultant for top laser companies such as:
 - Palomar
 - Candela
 - Cynosure Laser
 - Quanta Laser
 - Lumenis
 - Cutera
 - Siton
 - Deka
 - Lutronic
 - Aerolase
 - PolyLASE
 - Alma
 - Coherent
 - Asclepion
 - Fotana
 - Hoya Conbio

“Providing a Guiding Light for Medical and Aesthetic Professionals”

Lorenzo Kunze

Medical Aesthetic Practitioner - Educator – Visionary

Objectives:

Learning new procedures and being properly trained on the newest technology and equipment for **Anti-aging and Skin ReGENERation** procedures is my **#1 objective** and priority. Patients recognize the psychological and physical rewards that are now being produced from advanced skin care aesthetic and medical procedures.

My lifetime objective is to... live life to its' very fullest with an equal balance in my family, my beliefs and my works (because of my imperfections...they are not always in that order)!
