

PROM COUNTRY CHEESE

TULLYS GOLD

CERTIFIED ORGANIC

Soft smear-ripened cheese with a luscious texture and delectable, complex flavours, lingering on the palate with a final sweetness.

The golden aura of this style develops naturally from flora associated with vineyards. The aroma and flavour integrate and intensify with age, and the warmer the cheese becomes, the more powerful this effect is.

Bring to room temperature for one hour before serving. May become sticky, stinky and extreme when fully mature.
