# BREWERS GOLD

CERTIFIED ORGANIC

Delicate, exotic, malty, ale-washed  
cheese.  
A delicious treat for serious cheese  
lovers!

Brewer's Gold is a traditional slow-  
set soft lactic cheese, rind-washed  
daily with Mountain Goat Steam-Ale..

The washing process develops a  
distinctive golden rind, and complex  
flavours and aromas result from the  
synergy between the cheese and the  
beer.
