

## Adopting from Sally's Duck rescue. 🦆

We hope that your ducks settle in well and thank you so much for offering them a forever home.

### Collection

When you come to collect, please make sure you have something to transport them in. A dog crate with an old towel is ideal. A cardboard box can work too if it has plenty of air holes. Unfortunately, we do not have boxes available for this purpose so please ensure you have something suitable with you and that it is big enough.

### Health

Ducks will have been health checked and any issues will be shared with you if known. If you notice any problems, please let us know and we can advise.

### Donations

We are really passionate about what we do, therefore the most important thing is that the ducks have a wonderful new home. We do however ask you to make a **donation**, as this helps us to keep helping and homing ducks. Donations should be made in advance or on the day.

We also welcome donations of food, bedding, solid plastic paddling pools and housing.

### Support

Once you have adopted from us, we remain available for advice or help with your new additions and if for any reason the adoption does not work out, we will always take them back into the rescue without judgement.

### Food

All of our ducks are fed on Copdock Mill duck a goose pellets. Please ask if you need suggestions for brands. In addition, all ducks are given a mix of peas and sweetcorn every evening before bedtime as part of their routine, this helps them to get to know you as well.

### Supporting our rescue

Should you wish to continue to help our rescue, we offer sponsorship for either our rescue flock or for our disabled ducks who have a forever home with us. To find out more about our disabled flock please visit; <https://www.sallysducks.co.uk/duck-sanctuary>

To find out about sponsorship please email; [sallysduckrescue@gmail.com](mailto:sallysduckrescue@gmail.com)

We hope you have many years of enjoyment with your ducks, and we would love to see some photos once they are settled in.

Thanks once again 😊
