

The Riverside Marriott at 3400 Market St., Riverside 92501.

The Revenue Analyst, Diane Aaby (951-786-7189) gives students/instructors the government rate when they tell them they are attending a course at BCTC.

Diane keeps a block of rooms for us for this purpose. Tell the student to call her or her assistant directly, because if you call the 800 Marriott number or the front desk and they are full, they will NOT get a govt rate and Diane will not be able to fix it.
