

Happy New Year

FALL UPDATE

Service projects

In October, we received a grant from Wal Mart that will be used for vision services such as the vision screening with the Covington Lions Club. We also participated in Bartlett Festival. In November, we started our largest fundraiser, selling pecans. As well as, collecting food for the pantry at Bartlett United Methodist Church. In December, we held a toy drive to help families at some of our local schools, and we participated in the Christmas parade.

WHAT'S IN THIS MONTH'S ISSUE:

- October events
- November food drive
- Christmas Parade

We have had a very busy first half of the year and we have many more projects planned in the coming months.
