New Growth for a New Year

We began our new year by inducting 2 new members into our club

Dr. Connie Fry and Bill Kline received their new member packets (pictured above)

Letters against Isolation

Several of our members and guest met at the Bartlett Library and wrote letters to isolated Seniors around the world. They wrote approximately 30 letters in English and 5 in Spanish as well as sending cards to help celebrate a lady's 100th birthday.

Bartlett's Closet

In August, we sorted clothes at Bartlett's Closet, a community closet/pantry to help those in need. We also donated \$3000 to the BHS Band.

Bartlett Senior Center

In September, we fed dessert to the members of the Bartlett Senior Center.

We also participated in a vision screening with the Hamilton Eye Institute Lions Club at Morris Park and several of our members traveled to Louisville, KY to the USA/Canada forum.

We purchased gift cards for the 18 families affected by fire in Quail Ridge Apartments.

We also updated our website BartlettLionsClub.org with many new features. Check it out!

October

- Bartlett Festival – 4th and 5th
