

Thank you for your interest in our program. If our classroom is currently fully enrolled, we will place your child's name in our **Waiting Pool**. We admit new children from this pool based on factors that help us maintain a balanced classroom environment, rather than on a first-come, first-served basis. This approach allows us to uphold the Montessori method and ensure a harmonious classroom dynamic by considering ages, genders, and learning styles.

Families are required to attend a school visit in order to be placed in our Waiting Pool.

Please provide us with the following information. Once returned, we will schedule your school visit at our earliest availability.
