

Charity Run 2025

Returning for 2025.

Yorkshire 4x4 Family club charity run for Parkinsons UK.

This event is for all owners of 4x4 vehicles, not just club members, so please tell your friends and get them to come along!

October 5th 2025

Starting Curry's / Morrisons Car Park, Harrogate North Yorkshire

Finish : Braford Industrial Museum

Cost £25 per vehicle

Includes rally plaque and key ring

Bradford Industrial Museum is based in what used to be Moorside Mills in Eccleshill. It was built around 1875 as a small worsted spinning mill. The mill was bought and sold many times over the years as it grew and grew.

In 1974, Bradford Council created a unique museum, which now contains permanent displays of textile machinery, steam power, engineering innovations and motor vehicles.

We will drive in convoy to the finish following a pre-planned route. We have a maximum of 30 vehicles so why not sign up today to avoid disappointment.
