Re: **Williamsburg Green Property Owners Association Fiscal Year 2026 Dues**

Dear Property Owner,

Per the member vote held at the January 11th annual meeting the 2026 association proposed budget was approved. As such annual dues for 2026 are set at **\$200 per property**. Annual dues should be paid by 2/20/2026 to avoid late fees. Please make Checks Payable to: **Williamsburg Green Property Owners Association**.

As discussed in our Annual meeting our fiscal reserves remain very healthy and the WGPOA Board decided to reduce our annual dues from \$350 to \$200 for 2026

If you prefer future dues payment communication to be via email please provide your email address with your payment.
