Tarzana, California, USA | Proposed business base: Kerkstraat 1, Bus 6, 2850 Boom, Flanders

PROFESSIONAL PROFILE

Multilingual artistic photographer, documentary filmmaker, videographer, editor, educator, and visual storyteller with formal film training and hands-on experience in writing, directing, producing, cinematography, camera operation, interviewing, editing, post-production, and audience presentation. Through USAWTV.com, I propose to establish a one-person cultural visual-media practice in my main occupation, serving artists, cultural organisations, exhibitions, performances, festivals, community initiatives, and heritage projects throughout Flanders.

FLANDERS-FOCUSED CULTURAL AND ARTISTIC SERVICES

- Documentation of cultural events, exhibitions, performances, festivals, workshops, architectural heritage, and community heritage initiatives.
- Documentary and short-form film production, including artist profiles, interviews, and behind-the-scenes storytelling.
- Artist portraits and creative profiles for exhibitions, press kits, websites, educational programmes, and cultural campaigns.
- Editing, colour correction, audio synchronisation, subtitling, and multilingual digital delivery.
- Digital exhibition content, cultural campaign assets, and organised audiovisual archive preparation.
- Low-overhead, location-based production supported by existing professional equipment and home-based editing.

PROFESSIONAL EXPERIENCE

USAWTV.com Artistic Photographer, Documentary Filmmaker & Cultural Visual Media Producer 2014 - Present	Create photography, documentary, cultural, architectural-heritage, promotional, and artist-focused visual-media projects from concept to final delivery. Lead pre-production, writing, directing, producing, camera operation, lighting, interviews, editing, colour correction, sound synchronisation, subtitling, and digital delivery. Maintain a public portfolio, project links, and IMDb screen-credit presence.
Office Depot Copy & Print / Store Supervisor October 2022 - May 2026	Managed copy, print, image preparation, customer service, quality control, and deadline-driven workflows. Advised customers on layouts, image files, print materials, finishing options, and presentation. Recognised as Employee of the Year in 2023.

PROPOSED FLANDERS PRACTICE

The proposed practice will remain focused on cultural and artistic visual media services. Assignments will be accepted only after the required Professional Card, Belgian residence authorisation, business registration, social-security affiliation, insurance, and all other legal compliance steps are complete. The initial 24-month operating model requires no permanent employees or long-term studio commitment; editing and administration will be home-based in Boom, while production will take place at cultural venues, exhibitions, performances, client locations, and temporary rented spaces when justified by funded projects.

SELECTED CULTURAL AND ARCHITECTURAL VISUAL EVIDENCE

The following applicant-supplied images are contextual visual evidence of cultural observation, architectural photography interest, and documentary visual practice. They are supporting artistic samples and do not imply official affiliation with the depicted venues or institutions.

Antwerp Central Station - ceiling study demonstrating architectural observation and interior composition.

Antwerp Central Station - grand hall study reflecting heritage-space documentation and public-interior perspective.

Museum aan de Stroom (Antwerp) - contemporary cultural architecture study relevant to a Flanders-focused visual practice.

Casa Batlló - facade study showing colour, form, and architectural detail appreciation in a cultural environment.

PHOTOGRAPHER-AT-WORK AND ARTISTIC COLLABORATION EVIDENCE

These applicant-supplied visuals support the proposed cultural and artistic practice by showing the applicant working on location and by illustrating prior artistic collaboration, exhibition-related documentation, and heritage-detail observation.

Photographer at work near Casa Batlló - contextual evidence of on-location cultural and architectural photography practice.

Photographer at work at Sagrada Família - contextual evidence of active heritage-site visual documentation.

Olga Hakobyan's artistic project - event and exhibition documentation connected to a jewellery-based cultural collaboration.

Olga Hakobyan project board - sample of artistic presentation, visual documentation, and cultural project support.

OLGA HAKOBYAN COLLECTION AND HERITAGE DETAIL EVIDENCE

Olga Hakobyan collection - artistic-object presentation illustrating product and craft documentation in a cultural context.

Heritage detail study - documentary observation of historic stone carving and cultural-symbol detail.
