ABOUT US

Barna chemicals is a group of company which was started in 2011 with zero turnover and we have been growing in leaps and bounds as by 2017 turnover was 55 crore and current global turnover is around 300 crore. In May 2020 Barna chemicals added one more feather in its cap by growing in to Barna International India limited. Currently we are in many major countries like USA, UAE, Singapore, Australia etc. Our company deals in formulated nutraceuticals globally. We are about to start our owned nutraceutical manufacturing plant in Pithampur, Madhya Pradesh (India). Apart from nutraceuticals we deal in herbal products, pharmaceuticals, agro chemicals, solvents and health products. We have also acquired 2000 acres of land in Uganda for our new product named “AGRIBRIGHT”. With this project we have started on resorts, farms, dream homes as well in Uganda.
