THE BLVCK BUTTAFLY RELEASES "REAL HOT" FT MYGUYMARS (PROD. BY MYGUYMARS)

Los Angeles, CA - January 30, 2025 – Baltimore native THE BLVCK BUTTAFLY kicks off the new year with the release of her electrifying new single, "REAL HOT," produced by Grammy-winning producer and 1500 or Nothin' standout MYGUYMARS. This track fuses Pop, R&B, and Hip-Hop into an incredibly high-energy anthem that's bound to set the charts ablaze.

"Real Hot" is a celebration of confidence and independence, showcasing the strength of a woman who knows her worth—someone who might want you but doesn't need you. MYGUYMARS delivers his signature production brilliance, creating a bold West Coast bop that pulses through your speakers with undeniable energy and finesse. The record is a sonic thrill ride, with THE BLVCK BUTTAFLY's vocals masterfully blending pop charisma with an R&B twist, while the rich, soulful background harmonies hit straight to the heart. This is more than just a single; it's a movement. "Real Hot" is a certified Billboard chart-topper, destined to dominate the airwaves, break records, and redefine the sound of Pop and R&B. It's an energy we haven't seen before but one that the game has been missing—until now.

I think I might lose my mind, yeah. I got a fetish for a girl who knows what time it is. The imprint your confidence leaves, opened my eyes to see. That if I fumbled I'd be out of my mind."
