

2024 Flying Needles Quilt Guild

A NON-PROFIT ORGANIZATION

Dear Quilter,

Welcome to the Flying Needles Quilt Guild (FNQG). We are so glad you have decided to join our group of energetic, friendly, and creative quilters. We look forward to getting to know you as we share our love of the quilting arts.

Our guild has been in existence since 1989 and emphasizes preserving the art of quilting with our community. Our membership is always ready to help our community by providing quilts and other items to local charities as well as teaching monthly workshops for guild members to enhance our quilting skills. FNQG participates with the *Quilt of Valor Foundation* by providing quilts for distribution to service members or veterans who have been touched by war.

FNQG has both a website (<http://www.flyingneedlesquiltguild.org>) and a Facebook page (see [Flying Needles Quilt Guild of Niceville, Florida](#)) to communicate with our members. These sites offer information about guild functions, workshops, events, as well as provide a calendar of activities. Our monthly newsletter—*Needle Notes*—is posted on our website for easy reference.

Flying Needles has an activity for members most Thursdays of each month at New Hope Baptist Church, 108 Aurora Street just off Hwy 190 in Valparaiso. Our typical monthly agenda is as follows: ...

- **First Thursday**
 - Sit & Sew from 9:00 am to 2:00 pm... This is an ideal way to get to know our members, work on those pesky unfinished projects (UFOs), and have uninterrupted “ME” time. Bring your lunch and enjoy the day.
 - Guild Board Meeting 9:00 to 10:00 am... Any member is welcome to attend a board meeting as we plan the next general meeting and review the status of upcoming events.
- **Second Thursday**
 - Social time starts at 9:00 am
 - General Meeting from 10:00 am to 12:00 pm... The agenda includes Guild business, Show and Tell, door prizes, and a special program. Refreshments are provided by our members.
- **Third Thursday**
 - Community Service Workshops from 9:00 am to 2:00 pm... Attendees assemble kits or work on quilts for various charitable organizations. Kits include materials for Christmas stockings, small quilts, or drawstring bags to be worked on at the workshop or taken home for assembly later.
- **Fourth Thursday**
 - Educational workshops... A member or guest instructor provides instruction for making a specific quilt block, a specific technique or project which is started during this time.

Other activities include a retreat or a guild-sponsored quilt show every other year. These events allow quilters to learn new techniques, take classes taught by national and local teachers, shop a variety of vendors in one location, work on a Quilt of Valor block, and/or vote on quilt show entries. We encourage all guild members to join in the planning and participation of these events.

Again, we are so glad you joined Flying Needles Quilt Guild! Feel free to email me for more information or with any questions you may have. I look forward to getting to know you better.

Sincerely,

Kerry Kastl, President

2024 Flying Needles Quilt Guild

Welcome to Our Guild!

We strive to make the Guild a learning and welcoming experience for all skill levels.

Below is our schedule, as well as activities, you can experience and expect from joining our Guild.

Our meetings begin at **9:00** a.m. at New Hope Church.

Our schedule is:

1st Thursday Sit and Sew/Board Meeting

2nd Thursday General Meeting

3rd Thursday Charity Workshop

4th Thursday Skill Building Workshop

Members are encouraged to take part in any of the guild's activities throughout the year. A brief outline of these activities include:

COMMUNITY SERVICE WORKSHOP (3rd Thursday of the month):

We make Christmas stockings, small quilts, drawstring backpacks, and pillowcases for local organizations who serve children in our community. These items can be made during the workshop, or kits can be taken home to sew. Kits are available at the General Meeting the 2nd Thursday of the month, or at the Community Service Workshop. This workshop is a great way to get to know other members of the Guild.

DECEMBER BLOCK EXCHANGE (General Meeting): The coordinator of this activity designs, or chooses, a block pattern and determines the number blocks required for a project. Members who sign up will turn in half of their blocks at the June meeting and the remainder by the November meeting. When all blocks have been turned in, the coordinator sorts the blocks and distributes them to the participants at the December meeting.

FABRIC STRIP CLUB (Monthly Fabric Exchange-General Meeting): Participants bring 3, 2.5 inch strips of the designated color, with their name marked on the selvage of each strip. A strip is drawn at the General Meeting and the winner wins all the strips! Plus, the winner gets to choose the next month's color.

FUNDRAISERS: Flying Needles has two opportunity quilt fundraisers in alternate years: An Opportunity Quilt and a Quilt For Veterans. Guild members construct these quilts and tickets are then sold for a drawing.

HOSPITALITY/DOOR PRIZES: Members are asked to provide door prizes and refreshments at least once a year. Please sign up for the month of your choice at the General Meeting.

2024 Flying Needles Quilt Guild

NEEDLE NOTES: Our monthly Needle Notes are delivered via email and can also be found on our website, <https://flyingneedlesquiltguild.org> under “Members Only.”

FOOD PANTRY: New Hope Baptist Church has been a wonderful host to our Guild. We give back to their hospitality by contributing to their food pantry. Needs are published in the newsletter each month. Members may donate with food items listed in the newsletter or make a monetary donation.

QUILTS FOR VETERANS: The guild is a member of the Quilts of Valor Foundation. The Guild makes and presents quilts to local veterans. There is something for everyone who would like to participate in this program from cutting fabric, making kits, sewing tops, sandwiching quilts, quilting, binding, labeling, and making pillowcases for storage.

RETREAT/QUILT SHOW: The retreat and quilt show are typically held on alternate years and are two excellent opportunities to get to know each other and make new friends. Volunteers are always needed for both of these events.

SHOW-N-TELL (at the General Meeting): Bring your completed projects to the general meeting and share your accomplishments. Pictures are taken and published in Needle Notes and on Facebook.

SUNSHINE AND SHADOWS: Sunshine and Shadows is an outreach program to express our love and support for members.

UFO CLUB (at the General Meeting): This program is designed to inspire and motivate you to organize and complete your unfinished projects during the year. Monthly finished projects are shared with the Guild during the General Meeting.

There are many other activities to participate in throughout the year at FNQG. Some of these activities are: The 4th Thursday Skill Building Workshop, Row-By-Row, Ugly Fabric Challenge, the Mystery Road Trip, and Round Robbins. Information on these activities will be provided as they occur.

Again, we are SEW glad to have you join our Guild and look forward to seeing your creations. If you have any questions, please ask any of our members. Happy sewing!!
