Appalachian Autumn Table Topper Quilt

By Bonnie K. Hunter

Original Quilt Size: 56 1/2" x 56 1/2"
Block Size: 20" x 20" (4 leaves)

Workshop Table Topper Size: 30" by 30"

For the purpose of this workshop, we will concentrate on making 4 leaves which will equal 1/4th of the total quilt. I will have directions for you to make this into a table topper, or you may continue on to make the whole quilt.

When September rolls around, I find myself eager for the change of seasons, and a change of fabric stash color families as well. Bring on the oranges, golds, rusts, and deep reds! Stormy, cloudy grey never looked so welcoming until paired with the warmth of vanilla custard crème. --Bonnie K.
