

2025 Emerald Coast Quilt Show

OPTION TO SELL YOUR QUILT

Would you like to offer your quilt for sale? The Quilt Show Committee can help.

A sign will be attached to the quilt stating, "This quilt is for sale; inquire at registration desk." The Committee members sitting at the registration desk will provide the seller's name and phone number to the inquiring party. They will be unable to answer any questions concerning price or availability. All negotiations/discussions are between the seller and buyer. As a thank-you to the Emerald Coast Quilt Show for making this opportunity available, we suggest a donation of 10% to FNQG. Donations are optional, but greatly appreciated.

At the end of the show, the quilt will **only** be delivered to the quilt entrant (or designee, as determined at quilt drop-off). It is the sole responsibility of the seller to deliver the quilt to the buyer after the conclusion of the show.
