## Upcoming Workshops

*Diane Roberson, 2VP*

We have wonderful workshops and instructors lined up for late spring and summer.

On **July 23rd**, we have **Jackie Youngblood** teaching "**Sashiko**" (rescheduled from June). You will hand stitch a design onto fabric. You can choose to purchase a kit for \$10 that includes dark blue, white, or khaki fabric, along with thread and needles. A Sashiko thimble is also available for \$7.00. The sign-up sheet has the order form and Jackie will obtain these supplies if ordered in advance of the class.

Our **August** workshop, **Deja Vu** will be taught by **Kaye Joachim**. A pattern is required and can be purchased as a hard copy or download pdf file at [Kileysquiltroom.com](http://Kileysquiltroom.com) for \$10. The pattern has modern and traditional options and can be made with just two colors or a variety.

We look forward to seeing you in these workshops!

## Upcoming Programs:

*Kaye Joachim, 1VP*

**July: Share your Stash Sale.** Sign up at the June meeting to sell some of your unwanted stash. What's unwanted by you may be just the perfect item your friends are looking for. There is space for 15 tables but if you want to share a table, we can accommodate more sellers. Please be at the meeting no later than 8:30 a.m. for setup. Your items should already be organized and priced. The sale will be held indoors.

**August: WELL DRESSED!!** Karen Williamson from the Pensacola Quilt Guild will give a demonstration and trunk show on using men's shirts in quilting.

## 2026 Row By Row:

*Kaye Joachim*

The row you took home at the May meeting is due back at the June General Meeting. Give it to Kaye and she will give you the next box. If you are not going to be there, it's your responsibility to make sure it gets to the meeting and have someone pick up your box.

## 2026 BOM:

*Anne Smith*

All of the BOM patterns are available on the Guild's website. Even if you miss a meeting, you can always get the information you need from there.

**June:** In May, Diane Roberson handed out challenge fabric, and the Challenge blocks are due in June.

## President's Points: Lisa Lydston, President

I want to begin by thanking all of you so very much for your smiles, your hugs, your encouragement, and your support. I am so grateful to have you all in my life. April and May have been rough for our Guild dealing with the loss and illness of several of our members. You all have been a rock of strength and perseverance. Thank you!

I also want to thank you for the approval of the purchase of our t-shirts and the laptop. I hope you will accept a t-shirt and wear it at Guild events such as our 2027 Quilt Show, and any time you are out and about in the community. We want to get as much recognition as possible for the Guild to not only promote our Guild, but to encourage others to join, and potential donors to give. As I mentioned in our meeting, I think the shirts run small, so please consider this and order a size up if you think you need to do so. They wash very well and are very comfortable. I thank you for the concern for our one outstanding male member as well, so a shirt will be provided for him too.

Anne Johnson has created a form for you to provide us with the size and color you want. If you want an additional shirt, the price is \$16 regardless of size. Information about ordering your shirt is on the next page of this newsletter.

Another thank you goes to Penny Maus for heading up our SOPP and ByLaws Committee. She and her members have done their review with only a few minor revisions. Those revisions will be presented to you for a vote at a future meeting.

A huge thank you to Peggy Murrell for doing an outstanding job getting plans for our 2027 Quilt Show rolling and for helping me with my unresolved mass email issues. Peggy has been a rock I have leaned on for guidance throughout my tenure as your President.

Debi Roederer and Deborah Moen are two more women who I always seem to rely upon for various assistance and guidance. Both of them are invaluable to our Guild.

Lalani James, thank you for stepping up to lead the creation of our 2027 Opportunity Quilt. I am still hoping for someone to sell tickets for this quilt and know the right person will step up.

There are so many others whom I am not mentioning, but please know I am also grateful for you. Sometimes it's the simple smile, the boisterous laughter, the look you give me with a smirk at the corner of your lips when I'm at the podium, the gentle reminders, the soft rub and pats on my back. You all give me something, and I thank you so very much.

So with all that, and you've managed to still be reading this long text of gratitude, keep reading this wonderful magazine Peggy puts together for us every month and see what is happening for the month of June. I can't wait to see you!

Love ya,

Lisa Lydston

## Boutique Bites:

### Carol Stearns

I belong to a craft group at Holy Trinity Lutheran Church. This year we held a patriotic themed sale of hand crafted items on May 17. We sold out and raised \$500 for church projects. I share this because I believe that patriotic themed items will sell well at the Fall Flair in November at Destin Methodist Church. As we celebrate the 250th anniversary of our nation, there are many patriotic patterns being offered, many of them free. Think patriotic fabric when you are making pincushions, potholders, tote bags, table runners and more. It could even be just red white and blue. I've been doing some cross stitch lately and have made a pincushion which features 1776 with blue and white stripes.

When making an item, think about whether you would buy it yourself. Keep the fabrics fresh and current. This is a chance to demonstrate our skills as sewists and quiltmakers. In March 2027 the boutique will be at the quilt show, and it's not too early to build our inventory for that event. Thinking ahead, what would quilters like to buy? Make those items.

I discovered recently that if you donate to the boutique, you qualify to earn a strip of 4 door prize tickets. If you have donated this year, stop by to pick up your strip at the table.

Happy Sewing and thank you for donating.

## Community Service:

### Debi Roederer

Hello everyone!

Where in the world did May disappear to? It seems like it was just May Day, then Memorial Day and here we are in June!

This guild is amazing! At the last community service workday, we had a great work crew there to help. Machines were whirling, fabric was sliced, and tops were layered with batting and backing.

At the June General Meeting (June 11) there will be a wide variety of kits available for you to choose from, take home, sew, and return. These include Christmas stockings, pillowcases, 3-yard quilt kits, and more, all assembled, cut and ready for you to finish. If everyone took just one kit, think how many kids and people in need will be helped!

If you would rather quilt, we have a cart full of layered tops/batting/backing ready for you to work your magic. We also have a large stack of quilts ready for binding; a favorite task of mine while watching ball games.

June 18 is the next Community service workday . I will be bringing a crockpot of hotdogs (all beef) and buns to share.

My grandma used to tell me to "stay busy, stay safe." I think it was her hope if my hands were busy I would stay out of trouble. Sometimes it even worked, lol. It seems like a good mantra for today as well.

Debi, Polly and Laura

## UFOs:

### *Robin Easter-Neubauer*

To my UFO Challenge Ladies,

The June General Meeting is just around the corner. Have you been working on your #1 UFO?

Because there are only two numbers left, the June drawing will determine when your #2 and #5 UFO's are due. Are you all still working on #6 for the December deadline?

I will not be at the June General Meeting, but Linda Hudson will step in for me. Please show her your completed UFO and proudly show it off in Show & Tell.

## Hospitality:

### *Mary Ann Sharp & Barbara Roberts*

Thank you ladies for all the delicious dishes you continue to bring in every month.

## FWB Library:

### *Diane Roberson*

In May, we had 'Granny Squares' made by Carol Stearns displayed at the FWB Library. It is a lovely precision pieced large quilt, perfect for snuggling under. The quilting perfectly accents the design. This quilt is a wonderful example of a traditional pattern updated in a classic sashing layout.

Next month we will have a display of miniature quilts made by Robin Easter-Neubauer.
