

Block of the Month May 2026 due June 11th

It's FABRIC CHALLENGE time!

Directions:

1. The first 42 quilters will receive a fat quarter of challenge fabric that must be used in your block.
2. Use Moda Bella Mojito fabric in at least 20-25% of your choice of pattern to make a 12.5 inches square quilt block. You may choose piecing and/or applique, modern or traditional, improv, curves, circles, triangles, strips, 4 patch, 9 patch, paper pieced, stars, ... whatever you would like.
3. Keep your color palette fairly limited so the feature fabric stands out.
4. Make as many blocks as you like.

Have fun with this challenging color fabric! I look forward to seeing all the creative ways you incorporate the mojito color.
