

Quilt Guild Fabric Bingo

Friday Night, February 27th 2026

Join in the Bingo fun by making and bringing your own fabric Bingo card, and have the chance to win a prize.

After the games, all the fabric Bingo cards will be donated to FNQG Community Service to make quilts.

***** You may make two Bingo cards. They will measure 10 ½ inches when finished. *****

Materials Needed:

5 (2 ½") squares in assorted green fabrics

5 (2 ½") squares in assorted blue fabrics

4 (2 ½") squares in assorted purple fabrics

5 (2 ½") squares in assorted red fabrics

5 (2 ½") squares in assorted yellow fabrics

1 (2 ½") black square for the free spot

***If selecting fabric with a friend, do not use the same exact fabrics or you will have the same exact bingo card. The same applies if you make two cards; use different fabrics on each card.*

Directions:

***Please use an accurate ¼ inch seam. Press well.**

*Join 5 green squares to make a column.

*Join 5 blue squares to make a column

*Join 4 purple squares, with a black square in the middle for the free space, to make a column

*Join 5 red squares to make a column

*Join 5 yellow squares to make a column

Be aware of pressing seams in the opposite direction for each color column so the they will butt together nicely when sewn together.

*Sew all columns together, colors in the order of the photo above.

*Last, sew and 1/8th inch seam around the outside of your block. It should measure 10 ½ inches.

Fabric Bingo is played just like you would think.

Instead of letters and numbers, colors and fabric category will be called: Green Leaves, Blue Stripes, Red Metallic. Each game will be a different Bingo pattern which will be provided at your table – straight Bingo, X, Four Corners and so on.

Prizes will be awarded for confirmed Bingos!

Adapted from Fons and Porter

****IMPORTANT****

Make sure you have 5 DIFFERENT FABRIC CATEGORIES represented within EACH color column. For example, you should not have two fabrics with dots in the blue column, but you can have fabric with dots in the blue and red columns. Try for a good assortment!!
