March President's Note

We continue to welcome new members at each meeting and enjoy hearing about how they came to try our guild functions. Cindy Vines and Karen Melson were the most recent to join us and I thank Sherry Kruschke and Peggy Murrell for inviting them.

I want to remind our members again that we have 6 new machines in the storeroom for your use during Sit & Sew, Workshop and Community Service days if your machine is too heavy to bring. Don't let the weight of your home sewing machine keep you from joining us at these social gatherings.

Our Program this month is QUILTO, the quilting version of BINGO. GREEN is the color for Strip Club/Friendship Blocks and the UFO is #3.

Don't forget we have added the third Thursday to our calendar for Community Service endeavors. Talk with Linda about what she has planned each month and how you can help.

March 20 is National Quilting Day and LaLani has the Strip Twist pattern for us to enjoy a day of fun, food and fellowship. Get with LaLani to sign up for the potluck and to secure a pattern. We will be there from 9 – 4. All of our socials are open to the public so let your friends know. And remember we have the 6 machines in the storeroom.

March 25 is Kaye's workshop on Ricky Tim's Convergence Quilts. See Kaye for more information.

As always, I appreciate everyone who helps in addition to the Board and Coordinators for making all of our activities run smoothly.

Pam
