WHAT'S INSIDE

- Articulated dragon collectibles — fully poseable
- Designed and 3D printed locally in Tyler
- Durable, colorful, display-worthy
- 25 distinct varieties encourage collecting
- Sealed capsule — clean, no loose parts

WHY IT WORKS HERE

- Engages kids while parents wait or shop
- Drives repeat visits — gotta catch 'em all
- No staff attention needed, ever
- No coins, no tokens — tap or swipe
- Clean contained format, nothing to lose

WHAT YOU PROVIDE

- 3-4 square feet of floor space
- Standard outlet (less power than a light bulb)
- Visible, customer-accessible location

WHAT I HANDLE

- Machine purchase and installation
- All stocking and restocking
- Payment processing and reporting
- Maintenance and service calls
- Customer support

REVENUE STRUCTURE

- Flat monthly placement fee
- Percentage split of sales
- Test period available to evaluate performance first

We'll structure this in whatever way makes most sense for your space.
