

WELCOME TO OUR COMPANY

Fabrada Textile operates as knitted fabric supplier of Turkey and European apparel market including famous local and global fashion brands by performing an annual capacity of 50 million meters on a wide mix of fabric blends by natural and synthetic fibres.

It was established in Halkalı, Istanbul, the region where textile raw material and apparel manufacturing companies cluster.

Even we are a newly established company, in 2023, we serve Turkey's leading textile apparel manufacturers. The suppliers we work with are the leading companies in the industry and have all domestic and international quality certificates.
