

WHY WORK WITH US?

KNITTED FABRIC

1

OVER 200 CUSTOMERS

More than 35 years of experience in the market leads us to have a wide range of customers in domestic and abroad field. Fabrada ensures that the right offer is made at the right time and at the right price. Understanding our customers and responding to their needs and requests are among the priorities of our company.

2

LEAD TIMES

A perfect mix of technology, logistics, vendor managed inventory and human talent gives our customers a unique opportunity to cut lead times by up to 30%.
Dyed delivery ~ 14 days.
Printed delivery ~ 20 days.
Fabrada prioritizes building a structure that can be fast and flexible in changing business conditions.

3

STRATEGIC VALUE

Partner in design as providing print options for your range and fabric development with new constructions and fibers with new techniques in knitting, dyeing, printing and finishing while reducing cost and optimizing speed. We aim to create a culture where different perspectives are taken into account and contributes to our success.
