**Ready to Work for YOU!**

I have always stood up for what is right and true. I have always spoken up for equality and fairness. I have always put people and children first.

I believe in growth and change. We can not live in the past. The status quo is not good enough for the people of Pennsylvania. The current lawmakers in Harrisburg are failing our PA residents. It is time for change!

*I will work for you! I will bring meaningful change to Pennsylvania!*

*I humbly ask for your support and your vote in 2020!*

*Thank you!*
