Dear Guest,

We are delighted to welcome you to our upcoming **Deeper Life Class** — a space for reflection, insight, and deeper connection.

This class is offered **by invitation only**, for those who have personally requested to join or have been thoughtfully referred by a friend. You are receiving this message because your interest or referral has been warmly received.

As part of our commitment to providing an enriched and seamless experience, we wish to share a few important details about how you will access this unique gathering:

The Deeper Life Class usually takes place **30 minutes prior to our regularly scheduled service**.

This class is conducted in a **private setting** and is **not live-streamed publicly** — a conscious decision to preserve the integrity of worship elements that may otherwise face online restrictions due to streaming algorithms (such as worship music).

Per the suggestion of many trusted voices, **Adonai's Servant** has graciously chosen to open this class to a wider circle, offering a **free, no-obligation opportunity** to those seeking a deeper encounter.

Do keep in mind this class is to honor Adonai and to worship him, so please be respectful by keeping to the appropriate modest dress code and keep your conversations clean and use appropriate language when asking questions or interacting with Adonai's Servant.

Here is how the process works:

 On the Saturday of the scheduled class, you will receive a **personal link** to access our private broadcast site through the **Evmux platform**.

To ensure everything runs smoothly, please carefully review and follow these step-by-step instructions for accessing the platform and setting up your audio and video controls:

STEP-BY-STEP GUIDE FOR JOINING THE BROADCAST

Before You Join:

- Use a **desktop or laptop** (mobile not recommended)
- Use the **Chrome browser**
- Use **headphones** for optimal sound quality
- Ensure a strong and stable internet connection

Joining the Broadcast:

- 1** Click your personal Evmux invitation link (provided on the day of the event)
- 2** Allow **microphone** and **camera** access when prompted by your browser
- 3** Enter your name and click **Join Studio**

Before Entering the Class:

-  **Mute your microphone** — this will prevent any background noise during the broadcast

While in the Virtual Green Room:

- Keep your **microphone muted** and **camera off** unless you are specifically invited to interact
- Follow any additional instructions from the host team via chat
- Relax and enjoy the experience — your presence is valued!

This platform offers you an unobstructed way to engage without obligation or public exposure, and we are honored to provide this to our invited circle.

Should you encounter any technical difficulties or have any questions, please do not hesitate to reach out to us directly at **atlife@yahoo.com** — we are here to assist you.

Once again, **thank you for your interest and your trust** in joining us. We look forward to sharing this enriching time with you.
