

What book in the Bible tells about Abraham

The main book in the Bible that tells the story of Abraham is **Genesis**.¹

Abraham's narrative begins in **Genesis chapter 11** with the genealogy leading to him, and then his story is extensively covered from **Genesis chapter 12 through chapter 25**. This section details his call by God, his journey from Ur to Canaan, the covenant God makes with him, his struggles and triumphs, the birth of Isaac, and his death and burial.
