

Dear Customers,

Pop in CLE will be reopening May 12th for pop up events! We are excited to see you and help you plan your event! We aim to help small businesses get their products and services out there to the eyes of the public. We are open to scheduled tours for planning your event. You can book online at popinCLE.com. Our online shop is always open for business to buy our products as well.

There are some changes for Pop in CLE to comply with guidelines made by the state in the Stay Safe order. All business employees will wear masks. Disinfecting will occur before, after, and during each pop up event and hand sanitizer will be provided to customers. We ask that you stay 6 ft away from others while in the store. It will be up to the businesses of the pop up event to decide if they will enforce that masks are required by customers. However, we strongly encourage customers to wear masks while in the store. We are setting a limit of 10 people allowed in the store. Pop up events will be cancelled and rescheduled if the business owner shows any sign of illness. These policies can change at any time, in accordance to the state guidelines.

Any questions or concerns you may have, please reach out to me via email at info@popinCLE.com.

From Pop in CLE,

Amanda Roush
