

WE MAKE ULTRASOUND EASY AND PROFITABLE!

THE ULTRASOUND STORE, INC.

EXPERTS IN SOUND

Ultrasound * Simple * Affordable

READY TO AMAZE!

Produce high resolution ultrasound images in seconds. A simple to use, wireless ultrasound machine in your shirt pocket. Nothing can beat the word of mouth advertising you get from cutting edge technology!

SUPER DURABLE

Survives drops from 4 feet! It can even be submerged!

DEVELOPED FOR VETS!

Quick, intuitive and optimized for whole body animal imaging. Just select the area of the body to be scanned from the exam presets.

SIMPLE - AFFORDABLE

We make ultrasound easy and profitable.

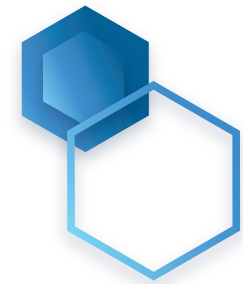

ULTRASOUND - SIMPLE - AFFORDABLE

Get in touch with our experts today. We make ultrasound simple and affordable.

ULTROS X5 POCKET SIZED WIRELESS ULTRASOUND

CONVEX AND LINEAR PROBES IN ONE UNIT

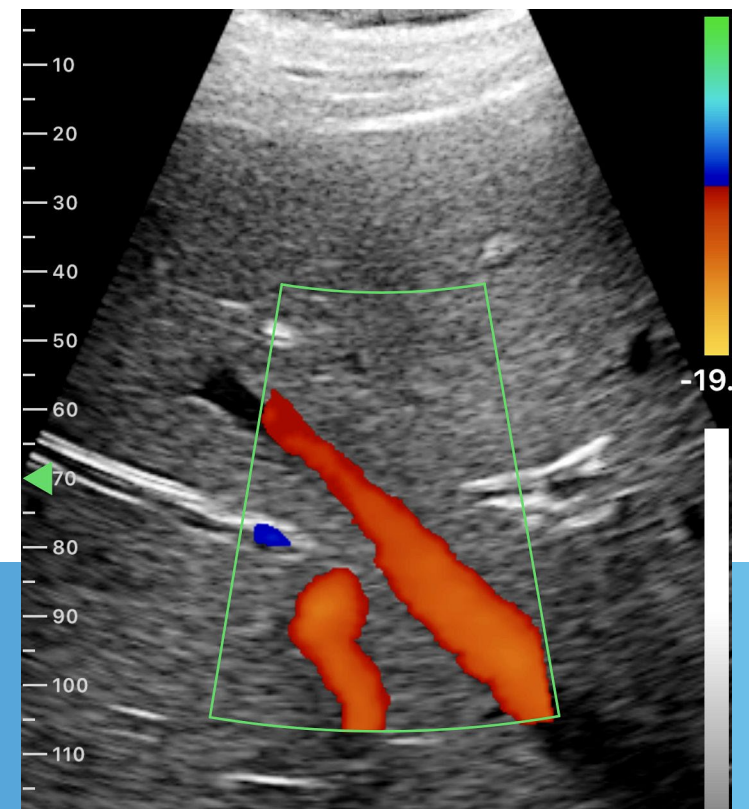

*It provides amazing image quality. This is the smallest wireless dual probe ultrasound available. Small enough to fit in your shirt pocket. **At 4.75 x 2.0 x .75 inches and just 4 oz., it's smaller and lighter than smartphones!** Scan for up to 5 hours on a single charge. Want to take a quick look? From your pocket to scanning in seconds! Makes the perfect AFAST and TFAST tool. Cystocentesis in a snap!*

INCLUDES FREE TRAINING

Purchase includes 10 free training sessions with a We See You Solutions professional sonographer. Training is remote and performed in real time on your own patients. In each session, your sonographer guides you through anatomic landmarks and ensures you'll capture the necessary images for a fully developed case.

***Need help with interpretations?**
Cardiologists and radiologists are available.*
