

LUNCH AND LEARN

Sweet Grass Tutoring will be discussing the key words and what they really mean in psycho-educational assessments and report cards!

Sweet Grass Tutoring is offering a free presentation about deciphering some words that may be misunderstood in reports that mean “Dyslexia”. We are also here to help children using a reading and spelling intervention recommended in these reports. We use the Barton Reading and Spelling System (which is Orton-Gillingham based). We are a registered vendor of “Jordan’s Principle,” and we apply for funding for children who qualify.

We will bring: Snacks and information

Book now for your free Lunch and Learn: Let us know where and when by email at info@sweetgrasstutor.com or call us at 204-233-1049
