PREAMBLE:

CO-OPERATION CHARTER

We the Servants of Allah so as to maintain an equitable and mutual working relationship do here by the Will of Allah draft this Charter for Co-Operation, designed to establish the Ethical Principals and Moral Guide Lines inwhich each member of our community (Common Unity) by the Will of our Divine Creator, Allah may function within a reasonable degree of Human perfection.

Our goal is to assure TRUSTWORTHY quality in our products and services offered to humanity in the way of Natural, Pure, and Wholistic Health Solutions. While binding together the collective experiences and knowledge of the Spiritual Forces and Scientific Methodology through human excellence and GOD CONSCIOUSNESS submitting only to the Universal Law of Truth;

We do humbly and sincerely pledge an undying oath of allegiance to the Integrity of our deeds, the Creditability of our Character, and our Responsibility to civilized society, upholding The Natural Law in the Universal Order of Life we surrender to The Will of the Divine Creator, Almighty ALLAH!
The Peace be unto you..

"Surely I have turned myself being upright to Him,
Who Originated the Heavens and the Earth. And I am
not of the polytheists.

Surely my prayer and my sacrifice, my Life and my
Death are all for Allah, Lord of all the worlds. No
Associate has He. This I am commanded. And I am of
those who submit to Thee in Al-Islam."
