

# Rasheed Perfumed Oils Collection

## #1. African Violet

African Violet essence body oil has a crisp floral aroma. This fragrance has a soothing effect on the wearer and those around.

Ancient Greeks wore the violet to calm tempers and to induce sleep. Very floral, Violet is a rich, mystical scent. This oil is a "sleeper" - many people don't stop to consider it but it is a wonderful smell and a blends well with other florals.

## #3. Apple Blossom

Apple Blossom Body Oil draws upon the same serenity one experiences when witnessing an orchard in full bloom, with fragrant blossoms stirring with every wisp of wind. In ritual or spells, one can find it greatly useful in trying to create peace of mind and draw happiness into your life. Standing alone or used in ritual, our Apple Blossom oil can also be used to craft a general sense of contentment. Representative of the astrological signs of Virgo and Cancer

## #18. Carnation

The aroma of Carnations in full bloom has been captured in this eloquent Perfumed Oil. This fragrance is skin safe for bath and body it has potent *aphrodisiac* properties as well as inebriating aroma. Carnation Perfumed Oil slightly spicy, mellow, light floral is a perennial favorite, especially in the summer months when a heavier fragrance can be overpowering.

## #27. Coconut

Coconut Perfumed Oil is a highly concentrated oil soluble Fragrance Oil that imparts a wonderful aroma to your application. This Fragrance Oil is Vegan, Gluten Free, and contains no Allergens. This oil soluble fragrance can be used to make candles, soap, shampoo, conditioner, lotion, aromatherapy, massage oils, cologne, potpourri, light rings, kerosene, Tiki Lamps, and just about any other application that calls for an oil soluble fragrance.

## #9. Balsam Flower

Get to Know Balsam Flowers: As expected for an old-fashioned favorite, Impatiens balsamina goes by several charming nicknames, including touch-me-not, jumping Betty, lady's slipper. Lady's Slipper helps the soul to incorporate its spirituality more completely into the body. It especially balances the relationship between the crown chakra and the lower energy centers. Waking up totally rested is one of life's many treasures. Unfortunately, stress can rob us of a good night's rest. Balsam, with its sweet aroma may help to carry us into sweet dreams. Its wonderfully soft aroma is often used in perfumes and is a great addition to floral blends.

## #37. Gardenia

This beautiful Gardenia Perfumed Oil is a a great floral *scent* that smells like real *gardenia*. Warm, exotic, earthy, and downright intoxicating—gardenia with its satisfyingly sultry take on florals and its ability to wear well both during the day and night, gardenia has become a mainstay in the world of perfumes.

## #41. Herbal

Body Oiling is an ancient technique, revered and honored in the Bible. A few drops of Herbal perfumed oil can be add to a carrier oil like sweet almond, avocado or extra fine olive oil, and used as a body oil for relaxing the body and bringing the element of ritual into everyday self care. The Herbal aromatic body oil can be very effective as far as calming the nervous system, resetting body/mind/spirit after a stressful day, and connecting with a child and other loved ones using touch to nourish and heal. Entice your senses. As a Perfumed Oil it can be worn as a cosmetic. Treat yourself to a refreshing, relaxing and invigorating experience that you will find to be truly luxurious.

## #42. Honeysuckle

The natural sensation of blooming flowers is recreated in this simple floral fragrance. Honeysuckle Perfumed Oil is a floral aroma that smells like a real honeysuckle. You'll love this sweet honeysuckle scent in soap, lotion, perfume, and bath bombs. It's great on its own or blended.

## #44. Jasmine

**Jasmine** is good for women who want to find and utilize their strength of character and purpose without losing their feminine side. It is appropriate for men who want to find and utilize their strength of character and purpose while developing their sensitivity and caring. Historically and in many religious traditions, jasmine flowers symbolize hope, happiness, and love. This affordable Jasmine Perfumed oil can be used as a body oil perfume that smells like the natural Essential Oil of Jasmine.

## #47. Lavender

Our *Lavender fragrance oil* is infused with natural essential oils, including lavender. A relaxing scent that is the aroma of real lavender flowers.
