# Are you getting the most out of your digital circular?

We got you started by adding your unique QR code to the front of your printed circular, so shoppers can easily **browse your ads online, create shopping lists, share favorite items on social media**

all through our free platform: AdViewer

**Now it's your turn...**

## Use these 2 steps to maximize your ad views with AdViewer:

### 1 Embed your AdViewer link on your website

Tips for websites:

- Place your link to AdViewer on your home page "above the fold"
- Use a strong call to action to identify the link as deals: "Sales", "Monthly Flyer", "Click for Savings"

### 2 Share in your Facebook newsfeed

Tips for Facebook:

- Link your Facebook page with your AdViewer account
- Pin your current circular post to the top of your page
- Reshare your ad mid-month so it shows up on your shoppers newsfeeds

### AdViewer does the rest...

- Automatically updates, so your site is always up to date
- Automatically posts your ads, so shoppers see the ad as it breaks
- Tracks ad performance and so much more
