“We promote healthy environments in which people and animals interact and connect through applied, environmental and education opportunities that promote mental and physical health.”

Hello Animal Lover and Community Member:

May 20, 2023, Denkai Animal Sanctuary will be hosting our first annual Denkai Days Fundraising event! This fun filled day begins at nine am and ends at four pm. Our goal is to unite area non profits and community businesses with the goal of promoting networking and resources available to and within our community. Activities at this event include:

- Rescued Pet Adoptions – multiple area organizations are participating
- Silent Auction Fundraiser
- Live Auction Fundraiser
- Food
- Beverages, including wine and beer – all permitted and handled by The Farm
- Various Contests and fun activities!

Founded in May of 2004 by Floss Blackburn, Denkai Animal Sanctuary is set up to provide Sanctuary and rescue service animals in need. We reach out to our local community youth at risk to volunteer as animal care providers. Thus enabling them to become productive, compassionate members of society while also assuring all our animals in need have adequate care. The Sanctuary is the largest organization of its kind in Montezuma County, Colorado. Denkai operates two facilities. The Yellow Jacket, Colorado facility sits on 25 acres, housing and caring for up to 30 rescue pet animals, horses, donkeys, pigs, goats, llamas and more. Denkai's second facility in Cortez, Colorado operates as a resale/retail store for the local area and adoption location for rescued pet animals.

Having provided aid to more than 35,000 animals in need since inception, Denkai truly goes the extra mile for the animals. We have been blessed with tremendous support from you, the community members and organizations we serve.

Denkai is a strong not for profit organization. Some of our services include:

- On the ground support to law enforcement and the state of Colorado in cruelty and neglect cases.
- Local and national small and large animal rescue services.
- Networking services for pet animals in need.
- Collaborative low-cost and free veterinary services for pet animals in need.
- Funding towards owned animal emergency care and spay/neuter.

- Pet Food bank
- Donations through our store of clothing and supplies to area tribes, homeless, and low-income individuals in need.

With your support we look forward to a fun-filled exciting event! All of the proceeds go directly to benefit the animals who need us.

We would be honored if you would consider supporting this event by becoming a sponsor or providing a one-time financial or in-kind donation for prizes. Our various sponsorship levels and sponsor benefits are shared below. All contributors will be featured in our marketing, regardless of contribution size.
