

How to order greeting cards

£2.50 each, cards are individually wrapped, blank inside for your own personal message and provided with an envelope.

You can order 5 for £11.50 or 10 for £23. All prices include free delivery in the UK.

You can pick & mix your selection but if the card isn't currently in stock, production can add a few days to the delivery time. However your cards should be with you within 7 days.

All paintings in my galleries marked **GC** can be ordered as cards.

Just note the titles, tell me how many you want and where to send them through my contact form.

I'll then confirm the price and tell you how to pay for your order.

Once the order has been paid for I will confirm it as placed.

Thank you for reading this. Martyn.
