Extra Support

Along with students engaging in their personalized lessons, students have the advantage of working with an experienced educator, whose primary role is to reinforce students' instructional experience; provide guidance Continue p. 2

The Benefits of a H.S. Diploma

SHOULD YOU POSTPONE GETTING YOUR DIPLOMA ANY LONGER?

The answer to this questions is absolutely "NO". Students that earn their high school credential set the foundation for a brighter future or as some would say: a "brighter tomorrow". This is true whether you are young or older. Once you have earned your diploma, you can take advantage of

many opportunities such as:

1. Enroll into college or a career school;
2. Apply for the military;
3. Quality for better employment opportunities
4. Earn job promotions;
5. Create a better lifestyle for your family;
6. Earn more income/money over a lifetime;
7. Feel better about yourself & your accomplishments;
8. And so much more!

Our Focus Is On Your Success!

and support; monitor students' progress; ensure that students complete their coursework in a timely manner and make preparation for GED/HiSET testing. Our teachers have advanced degrees and years of experience in the field of education, working with adult learners; and therefore, are able to direct students so that they are success in their online learning experience. Our goal is to make certain that students accepted into our program are successful in mastering their coursework and earning their high school diploma for future growth and prosperity.

Our Enrollment Process

YOURpath for Adult Learners has a selective enrollment process. One reason is because we offer limited seating per enrollment. Secondly, our primary goal is to ensure that each student enrolled in our program successfully completes his/her coursework, pass his/her official state exam and ultimately, earn his/her high school diploma. By working with a small group of students, we are able to achieve this goal! Our decision for enrollment is based on several factors, including, but not limited to: grade level completed, length of time out of school, prior GED/HISET test scores, access to a computer/internet and level of commitment & availability toward completing the necessary coursework etc. We understand that in order for us to be successful, our students must be dedicated to the process, and failure is NOT an option!
