Dear Dr.Artis,

Thank you for all that you and Yourpath staff have done for me. Without your support, I would not have achieved my lifelong dream. I appreciate you believing in me and holding me accountable. I also appreciate the encouragement you gave me when I was having family issues and being patient with me. Thank you for the daily motivational quotes. They helped me so much. Thank you for my career coach and the tutoring and mentoring I received. Also, thank you for your feedback on my assignments to help me pass my exams. Yourpath is a great program and it helps people like me. I will be sure to tell other people about your program. Again, thank you so much for all that you have done for me.

Sincerely,

Ahmed
