

## Conditions & Terms for “You Pass! We Pay” Student Incentive

**Effective January-December 2019**, Students enrolled in YOURpath for Adult Learners are reimbursed at the end of their completion of the program (as represented by the student earning his/her high school equivalency diploma while enrolled in the program for the given year) for each section of the official GED or HiSET test that he/she takes and PASSES while enrolled in the program. Students with official GED or HiSET passing scores prior to their enrollment in the program will not receive reimbursement for non-enrollment scores (these are passing scores received while not enrolled in the program). Additionally, upon graduation (i.e. students passing their official exam), students must submit a Letter of Gratitude (Appreciation/Thank you); a copy of their final official test results; and a self-photo holding their H.S. Equivalency Diploma to YOURpath for Adult Learners.
