December 21, 2021

To Whom It May Concern:

I am writing this recommendation letter on behalf of Asim Hafiz. Mrs. Asima enrolled in our program to complete her high school requirements and earn her GED on October 18, 2020. She completed all of her coursework, tested in all four subject areas of the GED, and earned her GED within nine months of enrolling in the program. She completed our program in July 2021.

While enrolled in our program, Mrs. Asima was 100% focused and dedicated to achieving her goal. She maintained consistency in completing her coursework and meeting her projected test dates. She demonstrated the ability to manage her work, family, and studies and find an even balance among them. Mrs. Asima is a highly motivated, independent, and self-sufficient student; she utilizes resources effectively and to her advantage. She adhered to our program's policies and academic expectations. Mrs. Asima is a well-rounded person; she gets along well with others. She is also open and receptive to advice and assistance from others. It was a pleasure to have Mrs. Asima enrolled in our program and witness and be a part of her accomplishments and personal growth and development. I strongly recommend and support Mrs. Asima in her endeavors. I am confident that she would excel in her pursuits. She possesses the qualities to be an asset to any institution as a student or employee. If you have any further questions regarding this recommendation, please feel free to contact me at the below email or phone number. I would be happy to address any further inquiries.

Sincerely,

Dr. Audrey Artis
