I want to express my gratitude to the YOURpath team for making my dream a reality. I've always wanted to earn my high school credential diploma but have never known where to start and I've never had the opportunity to do so, but after 15 years now, I was able to do it with yourpath program. Dr. Artis, guided me and made my educational journey feasible, which was a dream come true for me.

Dr. Artis deserves credit for supporting me and ensuring that I never gave up. She influenced me to keep moving forward towards my goals. She is the best mentor I ever had. She is an outstanding mentor. I shall be eternally thankful to her now that I'm a graduate student.

Thank you for your help, YOURpath.

Sincerely,

Cinthya Diaz
