

Helen's Great Idea

1. Helen gives the chickens chicken feed and fresh water.
2. Helen takes the chicken's fruit and vegetable scraps from the house.
3. Helen notices the hunting hawks.
4. Helen sees that the chickens run for cover when the hawks are out.
5. Helen has an idea to plant tall things in the garden.
6. The chickens have protection while working in the garden.
7. Helen discussed the situation with her mother.
8. Helen and her mother decide to plant corn and sunflowers.
9. The corn and sunflowers grow to be a few feet tall.
10. Helen plants beans and squash.

Commented [1]: Good work! Looks good!
