

Hello Daniela,

Congratulations on your acceptance to Montgomery County Community College!

Your Montgomery County Community College credentials have been created. Please familiarize yourself with your username and password as you will need them to log in to Montco Connect, your student communications platform. Access to Montco Connect is crucial and will be needed often while you are a student.

Your student ID, email address, username and instructions for setting up your password are below.

**Student ID #** [REDACTED]

**Email** [REDACTED]

**Username** [REDACTED]

Please follow these instructions to create your password.

1. Go to [password.mc3.edu](https://password.mc3.edu)
2. Enter your username provided above
3. Follow the steps and set your password

This process will send a verification code to the cell phone number that you provided on your application. (If the cell phone number is not correct, please contact the IT Service Desk using the information below.)

Once your password has been changed, log in to **Montco Connect** and complete your next steps located in your task list.

If you have any questions, please connect with the IT Service Desk at [mc3.edu/ITsupport](https://mc3.edu/ITsupport).
