Paragraph about the plot of my fowaite movie.

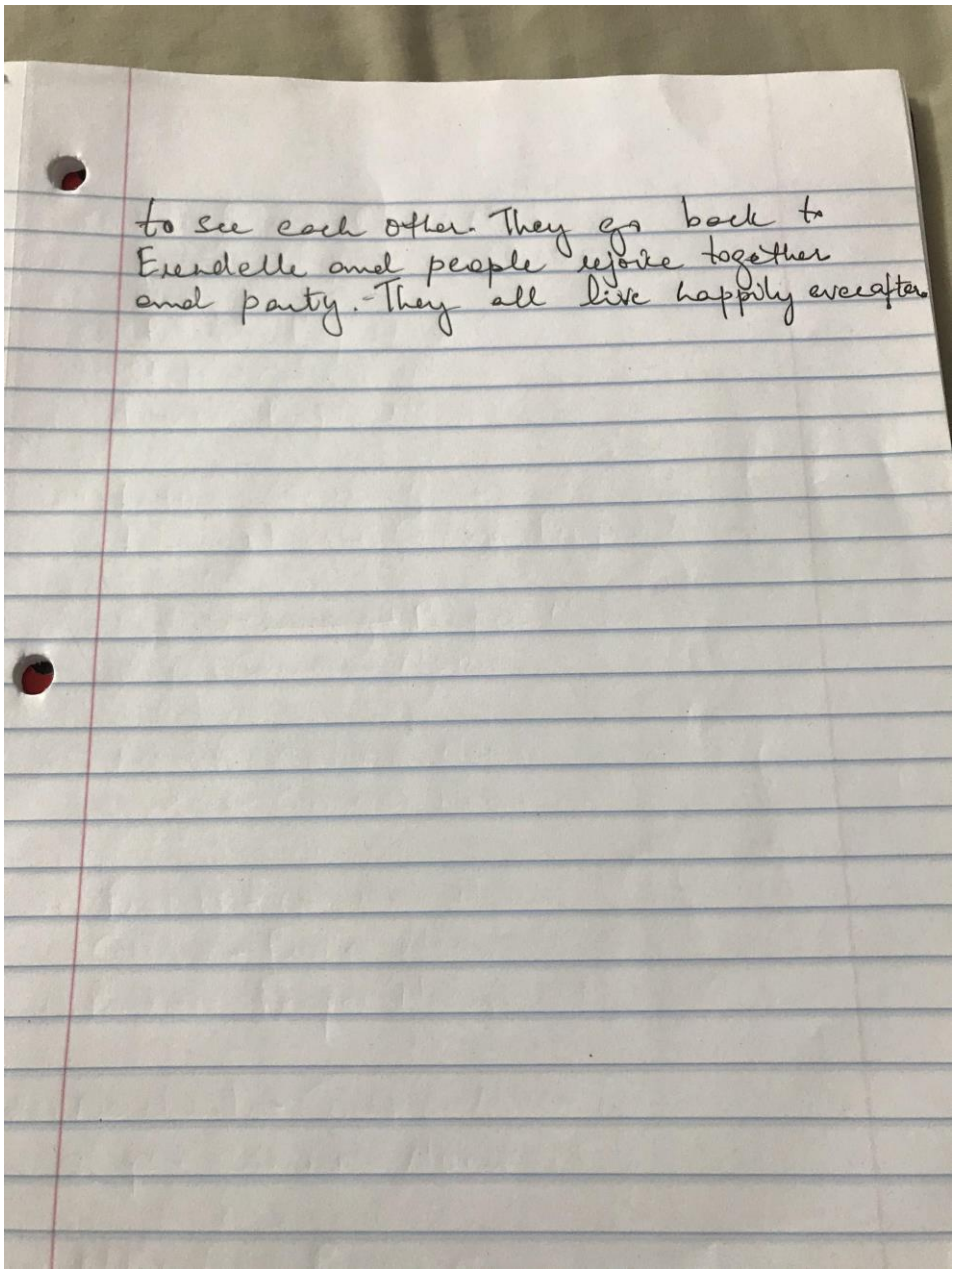
Frozen

Elsa and Anna are real sistas. Elsa becomes the queen of Enendelle, has power of snow.

Anna becomes angry at Elsa during the coronation day for not letting her marry Hans. She gets out from the castle and everybody gets scaadd of the ice power and runs away to the mountains.

While Elsa was singing started making a bridge and a castle by her ice powers and stays in the castle.

Anna starts looking for Elsa in between Kristoff joins Anna. They both find her and gets very happy



to see each other. They go back to Ensedelle and people before together and party. They all live happily ever after.
