Career Paths after the H.S. Equivalency Diploma

A high school equivalency diploma opens up many doors of opportunities. It helps advance one's socio-economical level and gives graduates various options. Once YOURpath's graduates have earned their diplomas, they can explore gainful employment or employment advancement. They now have the minimum credential

Continue... to enroll in college or vocational training to pursue a career or specialize in a trade. Students have also acquired the critical thinking skills and confidence to think outside the box and create their path to success through entrepreneurship. The sky is truly the limit!

Students who return to school after a hiatus not only enhance their academic knowledge and skills; they restore their self-confidence and esteem. They also regain their zest

Continue... for life. Since YOURpath's conception in 2018, 72% of our students have demonstrated college readiness levels in literacy and numeracy skills. Additionally, 100% of our students have advanced themselves by enrolling in college/vocation training or acquiring employment that requires a high school diploma. Our Next Step services have helped ensure that our students are successful beyond earning their high school equivalency diplomas. We ensure that they have access to resources for a strong head start and long-term success.

Congratulations to our Graduate!

- Congratulations to **Ms. Jailane**, our 1st graduate of 2022, on earning your H.S. equivalency diploma (HiSET). We are incredibly proud of your accomplishment & YOURpath's contributions!
