YOURpath's National Graduates 5K Walkathon Fundraiser Event

We request your participation in our event, "The National Graduates 5K Walkathon: Promoting Adult Literacy/Basic Education to Bridge the Achievement Gap". The event will occur in the **Nation's Capital City, Washington D.C., on May 6, 2023**, starting at the Washington Monument ground.

Continue... Participants will walk the 5K distance in their graduation caps and gowns, representing all levels of academic achievements: Doctorate, Master's, Bachelor's, and High School.

Our purpose is to celebrate academic achievement across the nation as we promote Adult Literacy/Basic Education to bridge the Achievement Gap among non-high school completers and graduates.

Continue... All fees/donations will support our Adult Literacy, Basic Education, and "Next Step" programs. Without fundraisers like this, we would not be able to help adult learners nationwide by equipping them with the basic subject knowledge, literacy, and numeracy skills needed to advance themselves socially and economically.
