Where Are They Now?

Mrs. Billi graduated from YOURpath in 2021, earning her high school equivalency diploma. Since completing the program, Mrs. Billi shared with us: *"After I received my diploma, I enrolled in college and became a certified automotive technician. I do make money to support my family, just not in the*

traditional way. I would consider myself to be a mobile mechanic. I get to make my own schedule and spend as much time as I want with my husband and our five children. YOURpath has helped me so much! Thank you!"

Ms. Asima graduated from our program in 2021, earning her general equivalency development (GED) diploma. Since completing the program, Ms. Asima reported, "After getting my GED through YOURpath for Adult Learners, I joined Champlain University to earn my Web Design and Development certificate, and I am graduating May 2023; then, I will transition to my bachelor's degree. YOURpath has a significant role in my achievement and has done everything for me. It is responsible for wherever I am today."

We are incredibly proud of and excited about our graduates' achievements!
