

## Congratulations to YOURpath's 1st graduate in 2020 Mrs. Ashley!

It is with extreme great pleasure and excitement to congratulate **Mrs. Ashley** on earning her **high school equivalency diploma** via HiSET testing on **August 5**, **2020**. Mrs. Ashley, a returning student, re-enrolled in YOURpath on July 3, 2020 and within 1 month, she successfully passed 3 official HiSET exams. Mrs. Ashley was successful in gaining full time employment that was contingent on her acquiring her H.S. Diploma. This served as one of Mrs. Ashley's motivations and as a result, she made it happen! We are proud of Mrs. Ashley! This is a remarkable achievement and one that will follow her throughout life! Mrs. Ashley serves as an example for others "that once you figure out what serves as your motivation," then, the rest is truly history. Mrs. Ashley can successfully close this chapter of her life as she moves on to pursue bigger and better rewards. **Again**, **CONGRATULATIONS Mrs. Ashley! A job very well done!** 

May your next chapter in life be filled with many more accomplishments!
