"All work and no play makes for an imbalanced life." Let's stay balanced.

## NEW PROGRAM CHANGES

As we have discussed in our recent cohort meeting, YOURpath is now offering three different course levels. Course level 1 is for students who are enrolled in our TABE skills-building courses; Course level 2 is for students who have proficient skills to begin their GED/HiSET coursework and Course level 3 is for students who are preparing for near future official testing. Congratulations to students who are working on Advanced Level 3 course work. You are making it HAPPEN. Remember, you have to be hungry for it *i.e.* **"THE KNOWLEDGE"** to get feed! ## HERE ARE 5 PRATICAL TIPS FOR STAYING FOCUSED!

Some students have expressed difficulty in staying focused while studying. These students have been encouraged to study in intervals. For example, you may want to study for 15 min. and take a 5 or 10 min. break in between studying. This will help you to study in shorter time spans and focus more during the times that you are studying. Below are some more helpful tips to improve your focus while study!

## WHAT'S YOUR NEW YEAR RESOLUTION?

In November 2019, we had our 1st student to graduate from our program. She enrolled in the program in September 2019 and within two months she had passed three pending GED exams. She said that her goal was to earn her H.S. Diploma by the end of 2019. She made this happen because she had a goal and went after it aggressively.

Believe it or NOT, we have come to the end of another year. Ask yourself, Did you start our wanting your H.S. diploma, but somewhere along the path, you lost sight of the vision? Here's another chance to start again as we approach 2020. The goal is to **NOT** lose sight of the vision while in the process because before you know it, another year would have come and gone.

## LET'S GET STARTED ON EARNING YOUR H.S.
